*La Crema – a moment of pleasure!*

*Company Ligos was founded in 1997 as a manufacturer of bakery products. In 2001 it became the first national manufacturer of croissants in Ukraine. The company currently manufactures products under its own brand names "Ligos" and "La Crema".*

*Products manufactured by company Ligos are certified in accordance with IFS Food V6.1 international standard for food industry manufacturers, which guarantees that products are manufactured in the safe production environment and confirms their high quality. Advanced technology and the use of exceptionally high quality raw materials ensure that puff pastry is particularly soft, light and airy, and that the croissants taste delicious.*

*Metallized polypropylene film is used as packaging for TM "La Crema" croissants, which keeps them fresh and flavorful. Vibrant packaging allows consumers to identify easily products on the shelf.*

*The company's products are available both in Ukraine and abroad, in such countries as Azerbaijan, Germany, Iraq, Jordan, Lebanon, Moldova, the Netherlands, Palestine, Poland, Qatar, Republic of Belarus and Sweden.*
