Young company with active and stable activities, which are devoted to the development of the beer culture.

Main company activities

- 
- MOVA brewing co.
 - MOVA Import
 - Own Pubs
 - Beer Fest CraftКультура

MOVA brewing co.

MOVA brewing co. - are Ukrainian beer culture fans.

After learning hundreds of methods and liters of the hopped beverage from all over the world we have created uncompromising beer MOVA. Beer which doesn't require modifications or corrections. Beer that speaks for itself. Beer which already has a wide sales geography around the country.

MOVA Import

MOVA Import - is a division which allows to be acquainted with wide variety of beer styles, flavor and taste from all over the world in the own pubs and HoReCa partners.

Own Pubs

Pub Three Legs - the first Pub in the city which surprises and inspires with beer assortment.

 **PUBTHREELEGS**

 **pub3legs**

Bottle Bar - the place of the interesting flavors and unique bottles.

 **BarBottleBar**

 **bottle.bar**

Fest CraftКультура

CraftКультура - the meeting place for breweries from Ukraine and Europe, distributors, beer tasters, sommeliers and festival guests. Large interactive lecture hall for 600 people, foodpairing, lectures and tastings - all these make it easy to plunge into the beer world and find answers to any questions.

MOVA Company

Each activity of the MOVA project is aimed on our goal achieving - the beer culture development. We don't just brew or sell beer, we contribute to the integrated development of the beer world.

Are you with us?

We are open for collaborations of the common goal development.
