OUR PRODUCTION

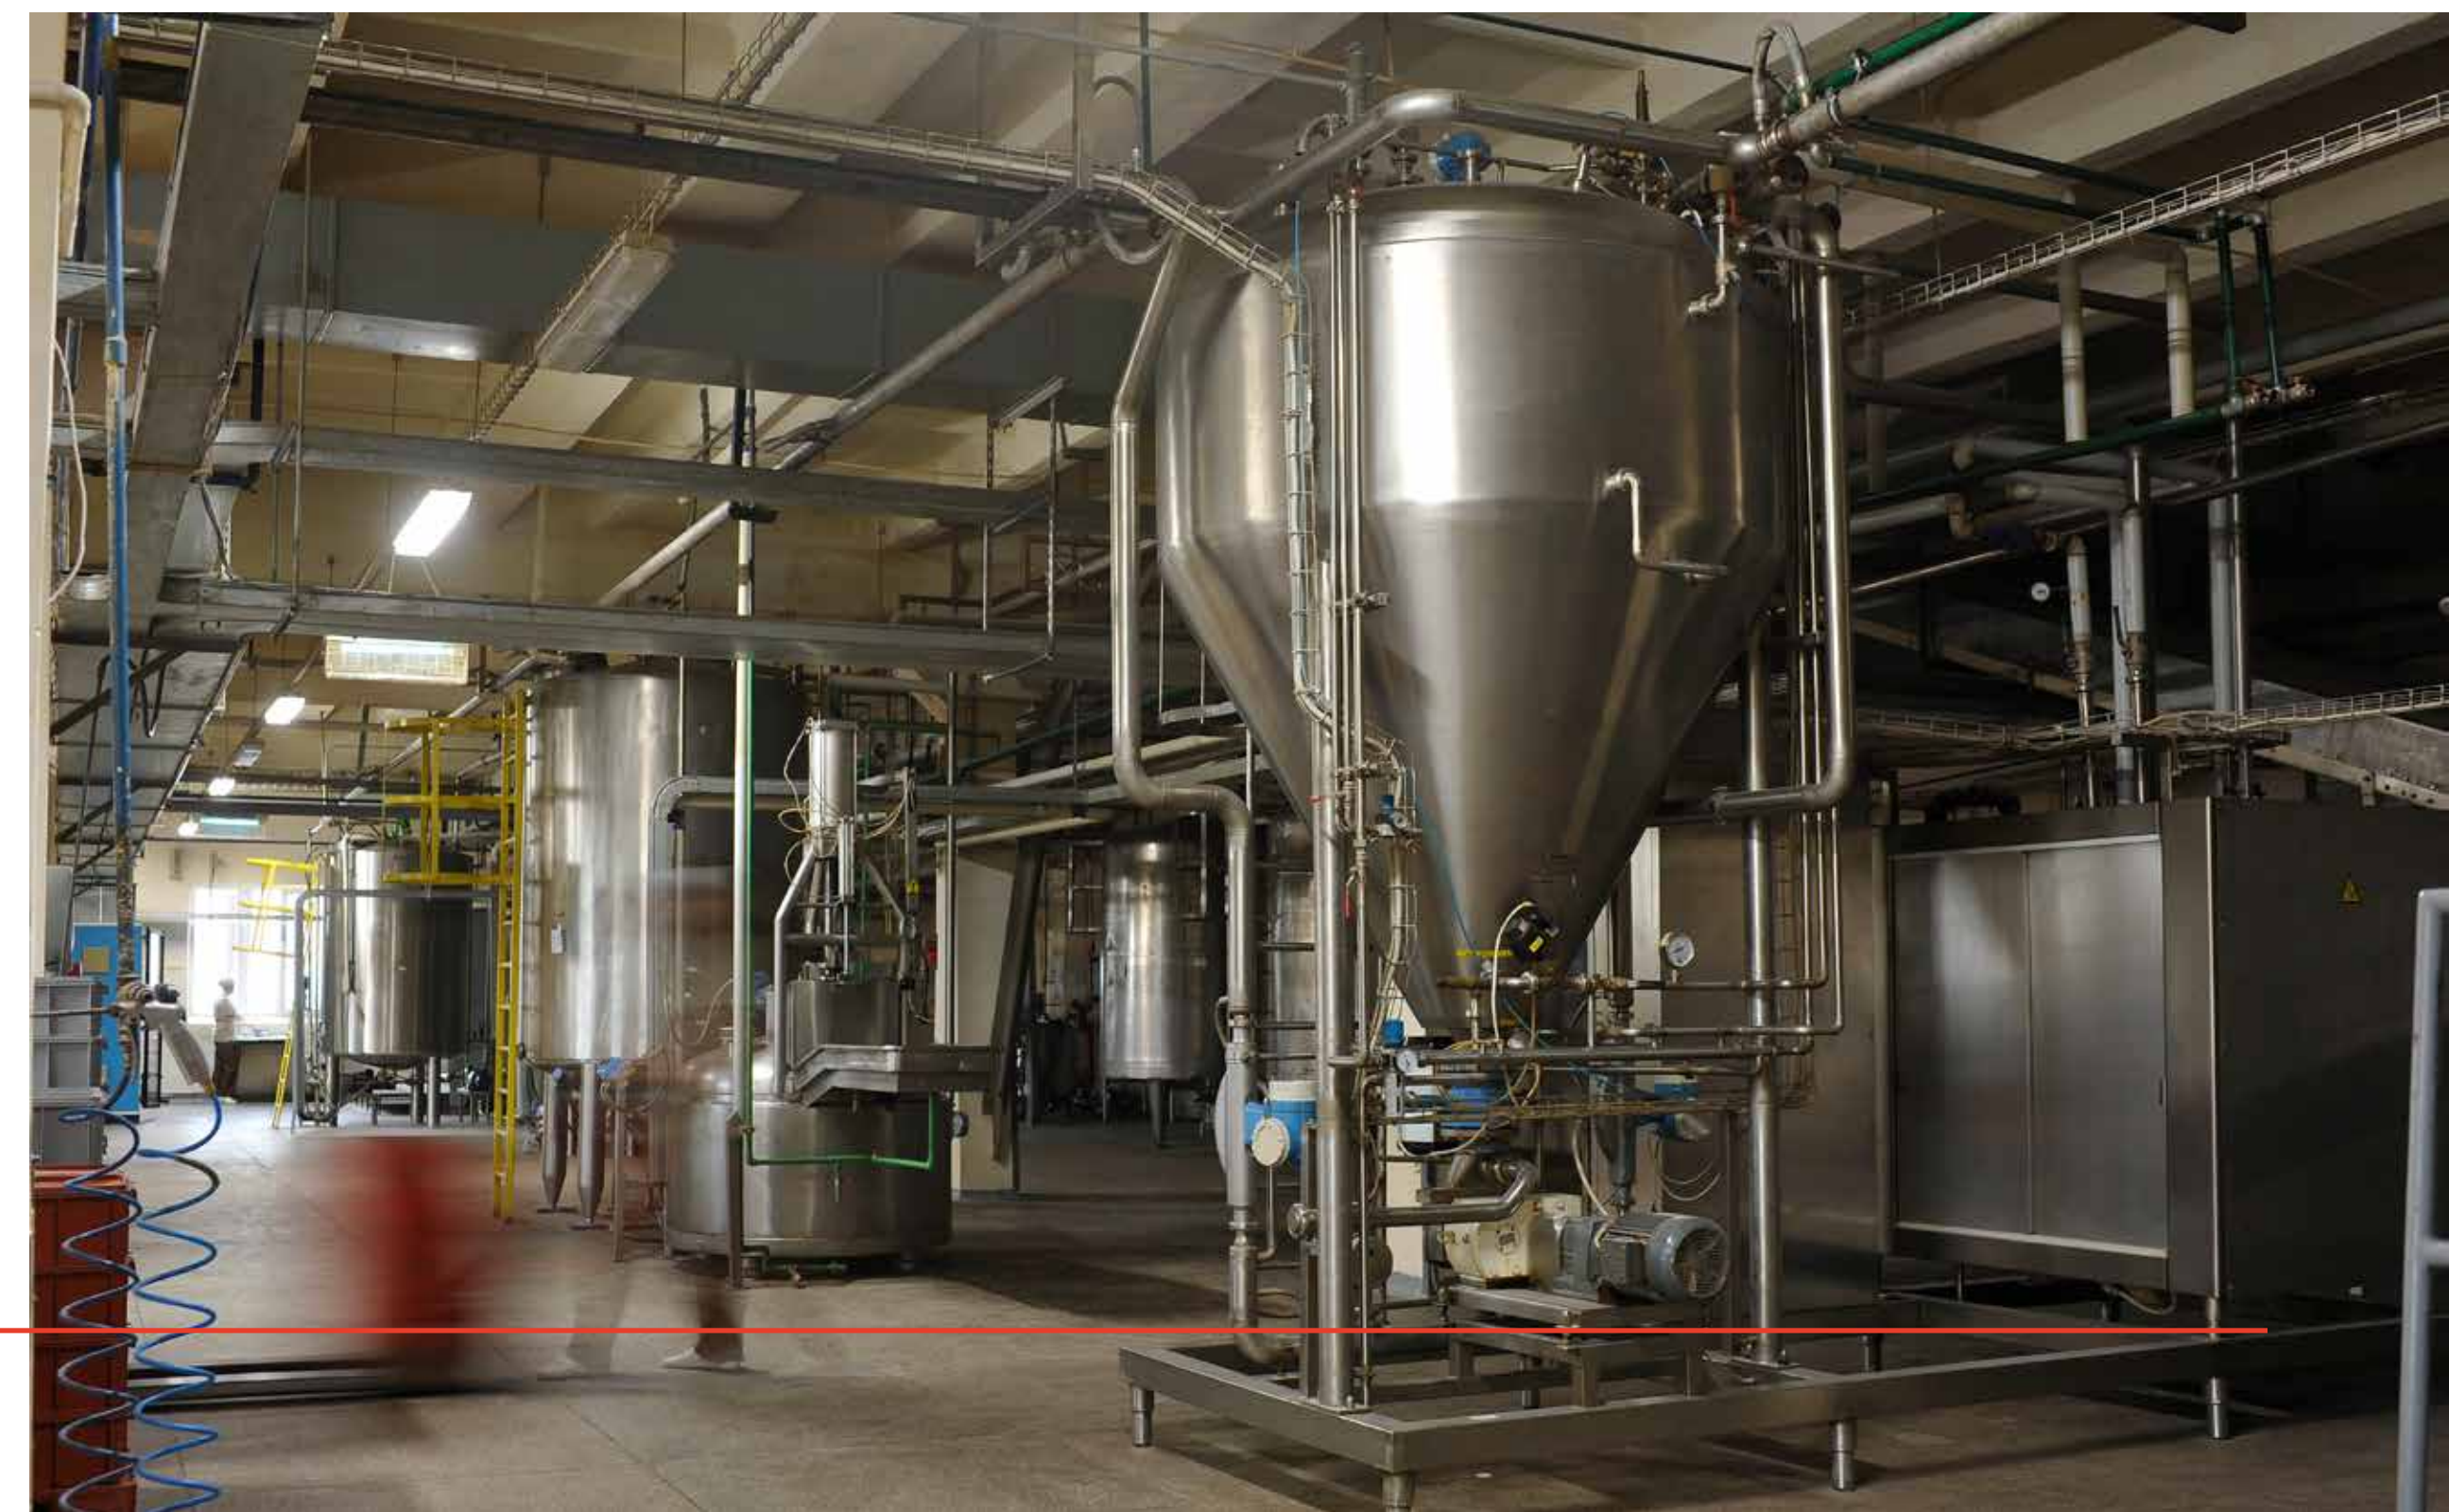

- The factory is focused on the production of hard-dough biscuits and crackers. The narrow specialization made it possible to balance the product range.

- We strive for intensive systemic development based on advanced technologies, which is confirmed by the presence of three state-of-the-art Italian lines for the manufacture of biscuits and crackers («Orlandi», «Laser», «Verona»).

The length of the tunnel stove is 45 m.
Baking time is 4-5 minutes.

Cracker line with output 12 500 kg
of crackers per shift 12 hours.

Biscuit line with output 10 500 kg
of biscuit per shift 12 hours.

OUR QUALITY

HIGH QUALITY OF RAW MATERIALS AND BISCUITS

Thanks to the fact that Ukraine is the largest producer of wheat, sugar and sunflower oil, Yarych is able to use the highest quality raw materials for production at the lowest prices. The quality of products is the first priority of Yarych Confectionery.

IFS FOOD CERTIFICATION

The international IFS standard is focused on ensuring food safety at all stages – from manufacturer to consumer. It is recognized by The Global Food Safety Initiative (GFSI). The IFS Food certificate covers the requirements of ISO 9001, HACCP, ISO 22000 and FSSC 22000.

HALAL GLOBAL CERTIFICATION CENTER

Mutual respect for the culture, traditions and religion of consumers of our products is the basis of all our activities. We understand how important this is, so we received a Halal certificate, which confirms the products' compliance with Islamic standards.

COMPETITIVE ADVANTAGES

Perfect location:

- The factory is located in the western part of Ukraine on the border with Poland and has the shortest distance to any EU country compared to other manufacturers;

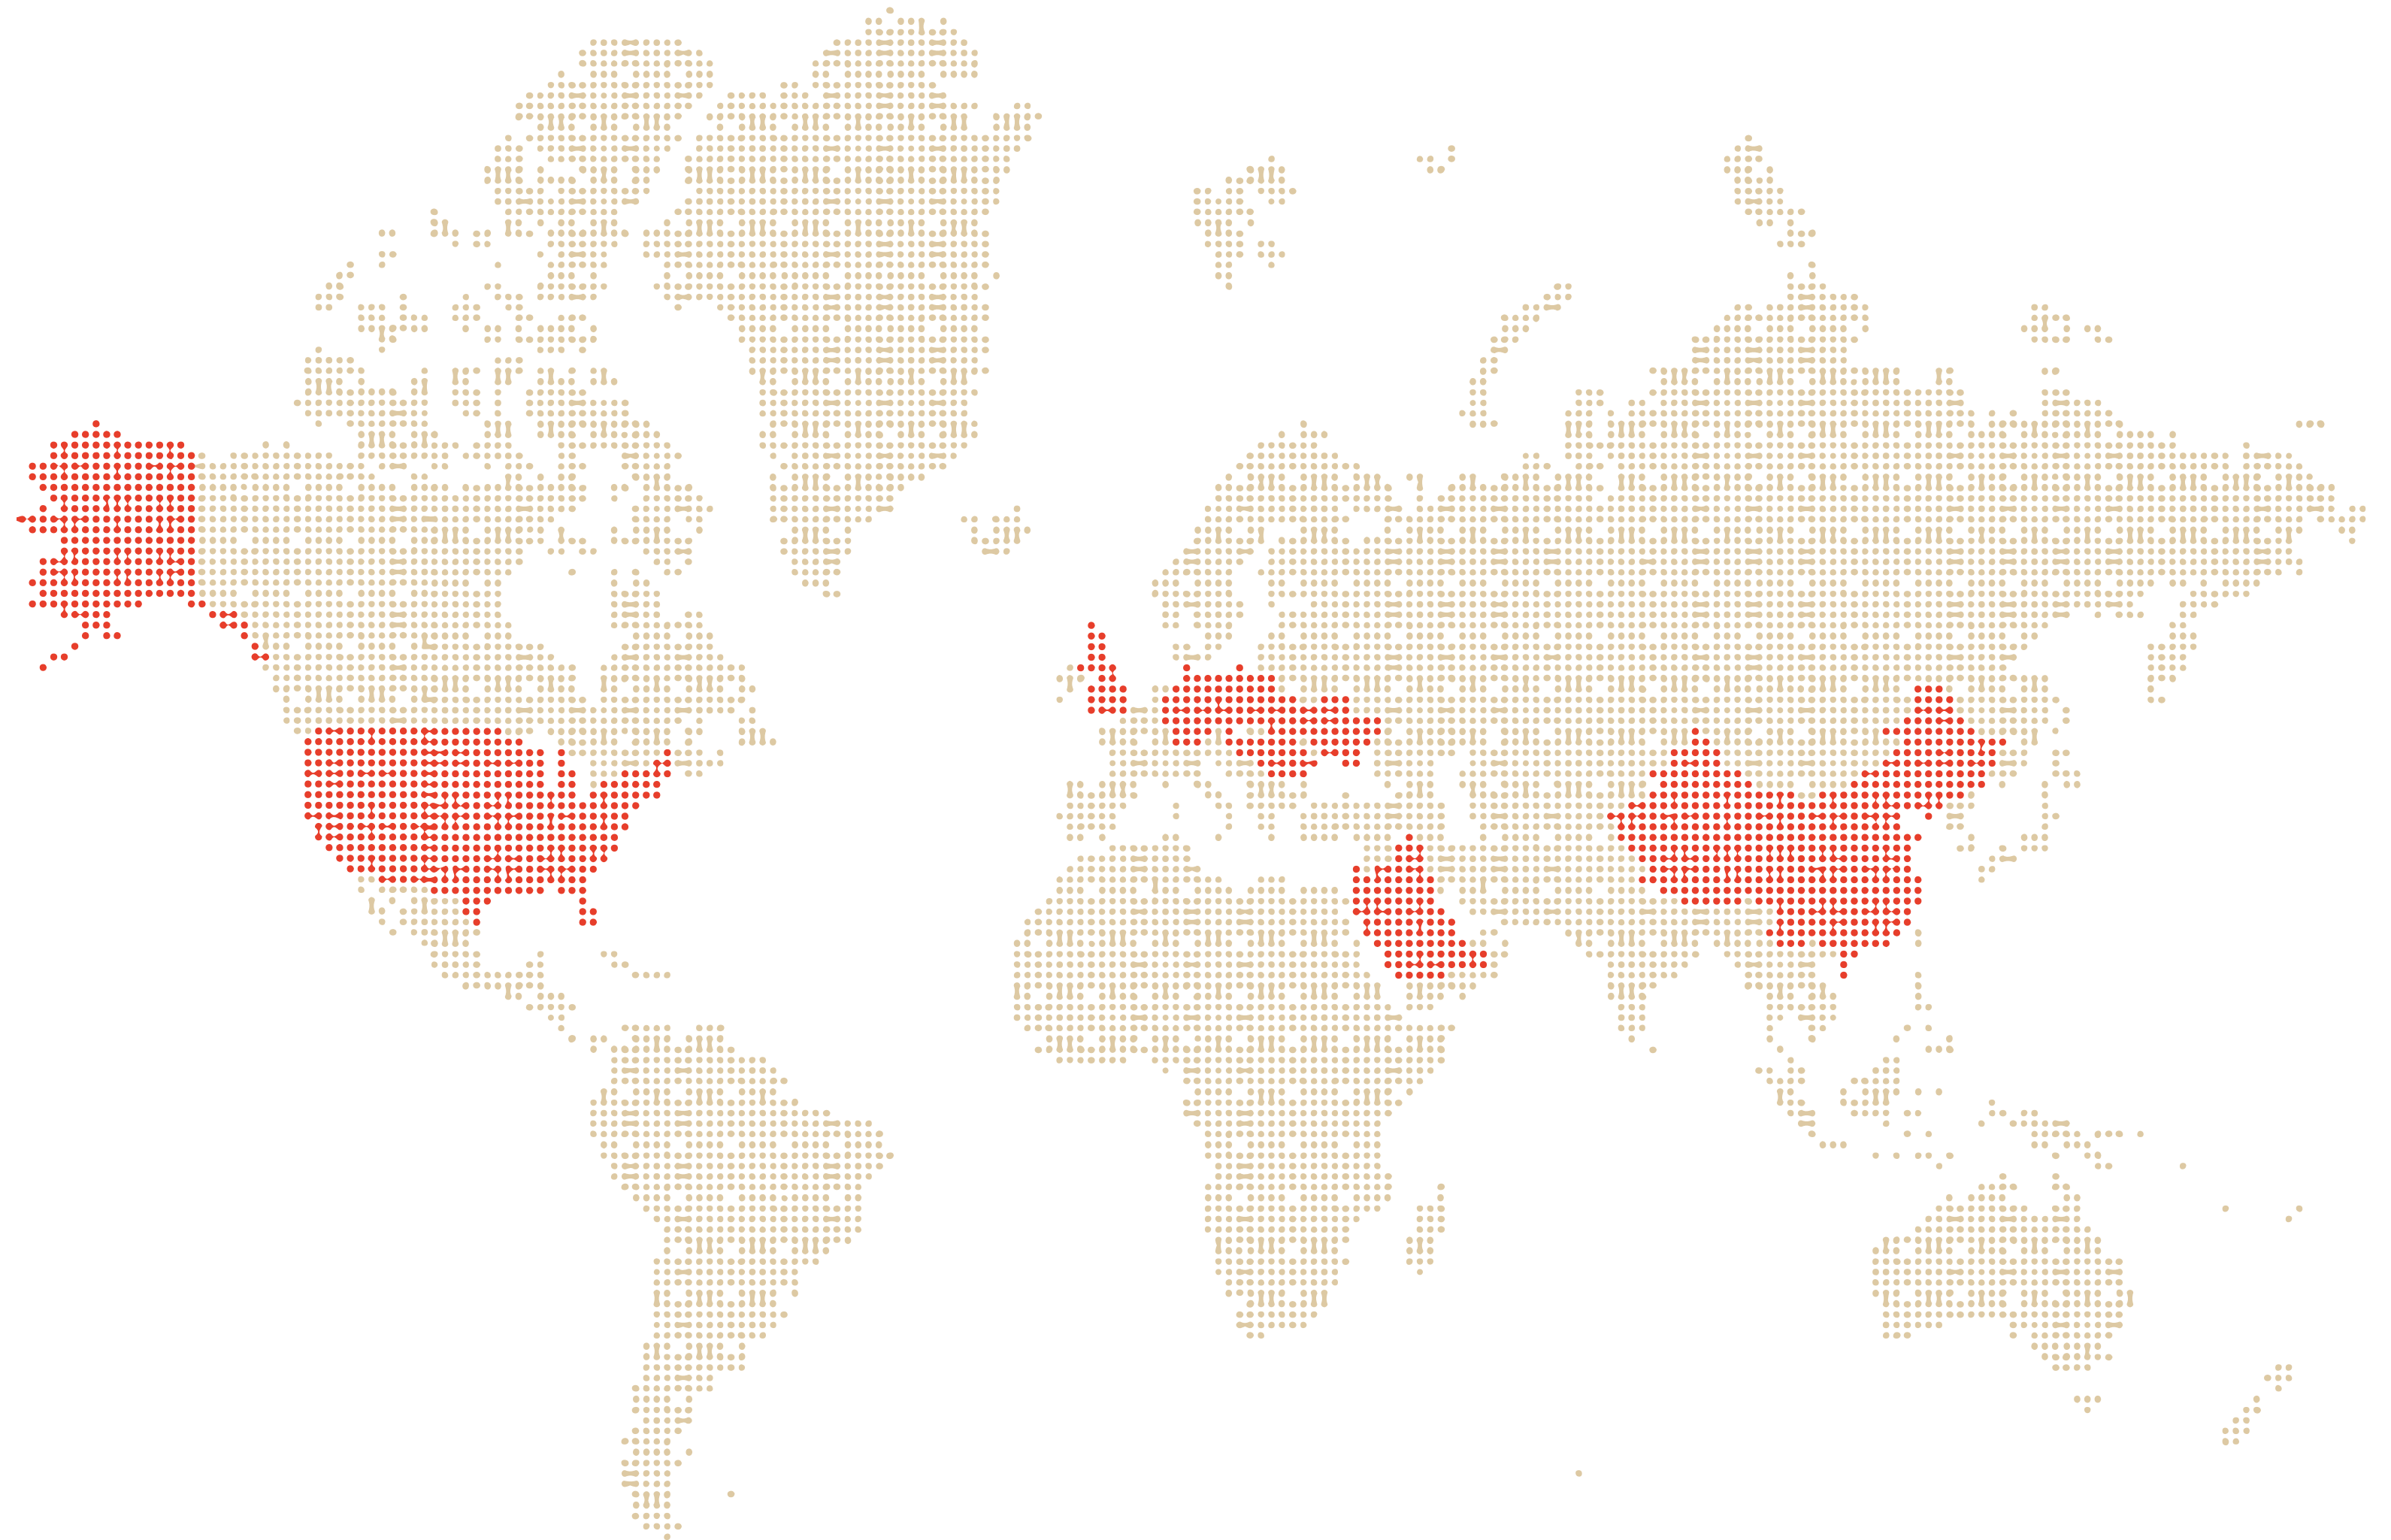

- Lviv region of Ukraine was not affected by the war, the factory works non-stop, supplying products to all partners in the EU.

Comprehensive service:

- Customs clearance and delivery of orders from the Polish Yarych warehouse in Warsaw (FCA, DAP, DDP);

- Direct deliveries to retail chains in any EU country;

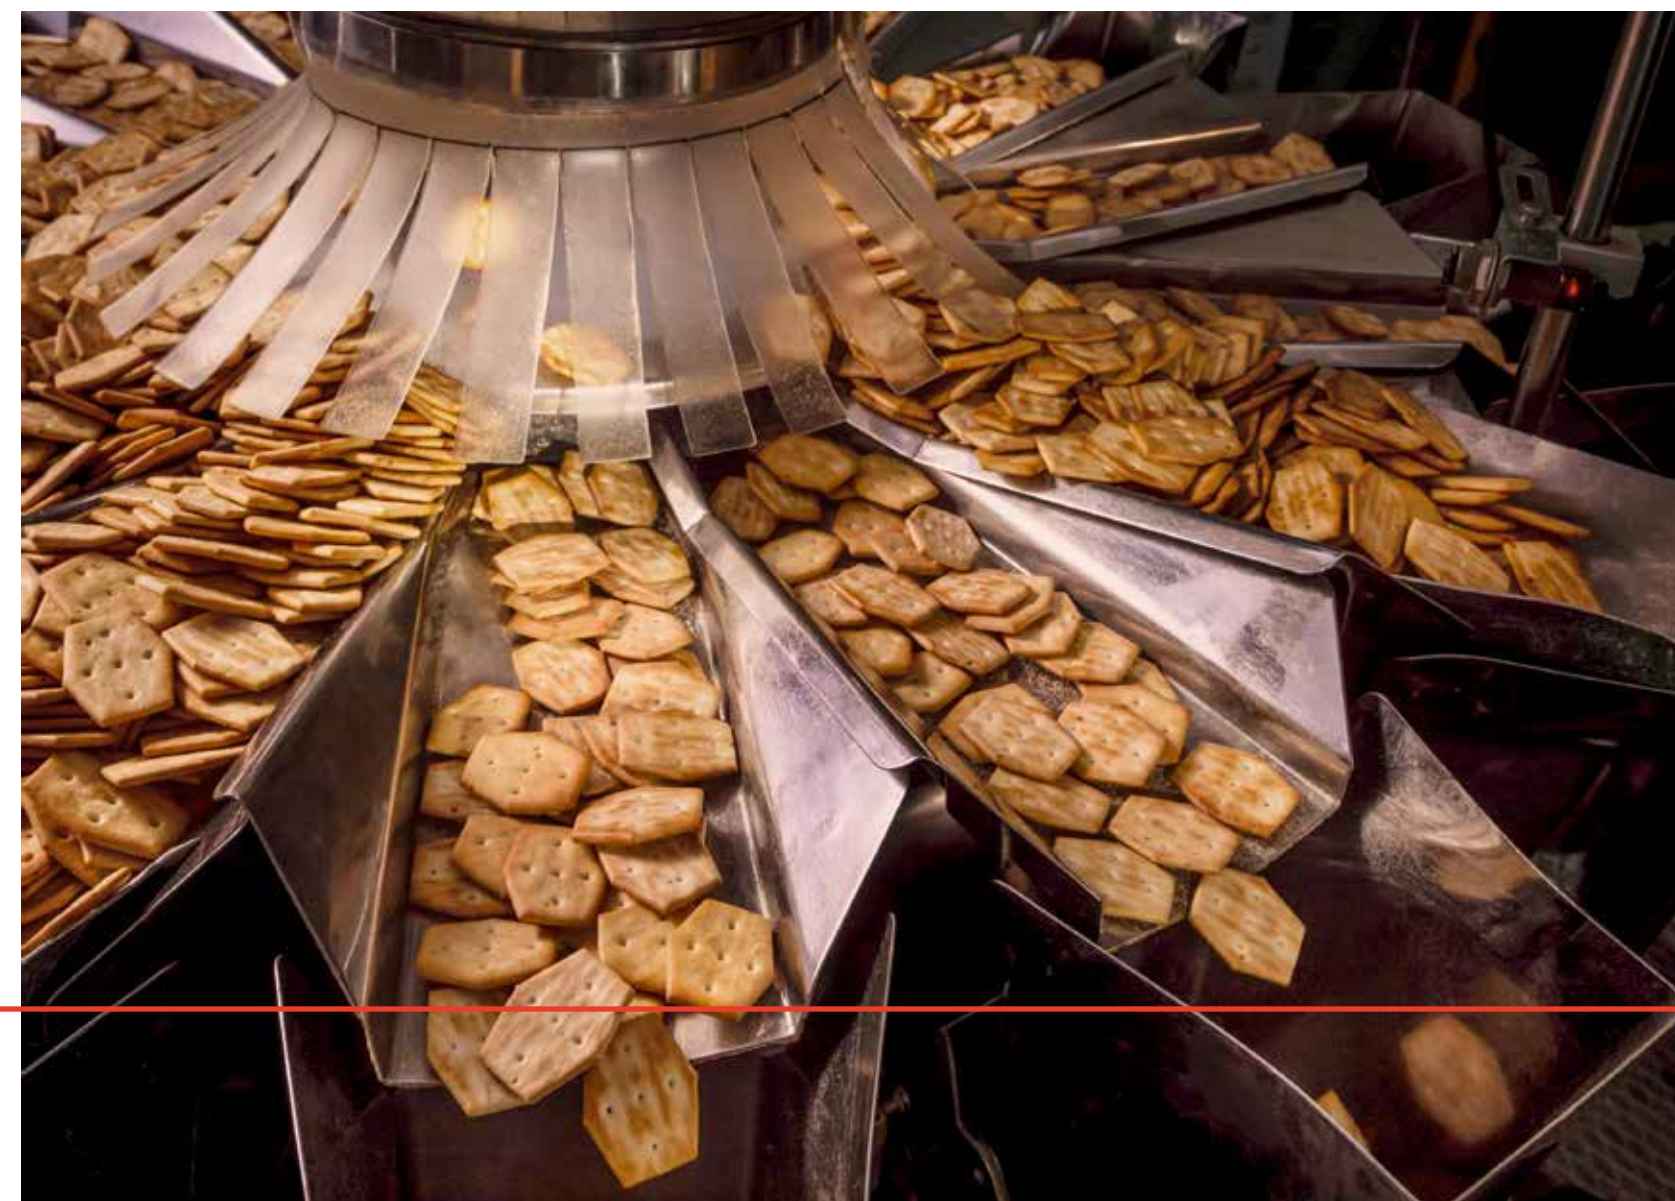

- Personal key account manager to support every customer 24/7.

COMPETITIVE ADVANTAGES

Deep expertise in PL:

- Successfully implemented more than 35 Private Label projects in Europe and Ukraine;
- Yarich is a reliable supplier of PL products to the world's largest retail chains - Carrefour, Auchan, Biedronka, ATB and others.
- We also produce PL for distributors and manufacturers in the USA, EU and the Middle East.
- Market Leader - with the share of 33-35% of the domestic market and is one of the leaders in Poland and other countries in the category of hard-dough cookies, since 2015.

PETIT BEURRE biscuits are of European quality, they have crispy structure, soft creamy taste and pleasant flavor. French roots and classical recipe of the 19th century will never remain anyone indifferent.
